2004

Targeted Augmentation Program (TAP)

Encl: (1) List of Eligible Officers

1. The next TAP Board is tentatively scheduled to convene in September 2004 and will be conducted pursuant to reference (a). This administrative board is normally comprised of five Navy judge advocate members.

2. Officers compete only against other officers in the same year group. Selection quotas and percentages will be determined once all applications are received. Eligible officers are those who started Naval Justice School in January 2002 or May 2002 (see enclosure (1)).

3. The following helpful hints are provided for those officers interested in applying for TAP:

a. Review reference (a). This instruction sets forth guidance for preparing the TAP application.

b. The September 2004 TAP Board will be held in the Washington, D.C. vicinity. Members will not have access to officer microfiche files. Selection decisions will be based upon the application submitted by each officer.

c. Screen your TAP application for grammatical, correspondence, and spelling errors. Ensure that all transcripts, for both undergraduate and law degrees, are included in your application. Original transcripts are not required; legible copies are acceptable.

d. Fitness reports are very brief; therefore, TAP endorsements and recommendations are of critical importance.
